Ptasheniata— Пташенята

The emphasis in Ptasheniata is on having fun and becoming accustomed to the Plast way of life with a view to preparing our 'little birds' for Novatstvo.

An added bonus this year for parents will be the reconnection with old friends and spending some 'quality time' with our families in the beautiful surrounds of the Brindabella ranges and the city of Canberra.

The program is offered to children aged from 4-6 years, older children are not catered for. Please be advised that one parent is required to accompany their child or children.

Please do not hesitate to contact the komendant ptasheniata pl. sen. Handzia Shuhevych on 0416 142 091 or handzia@ozemail.com.au. We look forward to seeing you there!
