## НОВАЦТВО (Novatstvo) (7-11 years old)

The theme of this year's Tabir for novatstvo is espionage, with activities about secret communication, survival in the bush, journalism as well as plenty of plastuvannia – including orienteering, map-reading and an overnight hike – where novaky and novachky will be cooking for themselves and carrying some of their equipment. They will need a large enough backpack to carry water bottles, change of clothes, toothbrush, snacks, raincoat and for older novatstvo - their sleeping bags. Other equipment will be dropped off to the campsite. Regardless of weather forecasts, sun hats and warm clothes are a must as it is often sunny during the day and very cold at nighttime at Sokil. Also – please fill out the medical forms appropriately, and if your child suffers from asthma or severe allergic reactions your family doctor will need to provide a management plan.

## Tativka

Parents and Starshi Plastuny are reminded that by camping in the Tativka they are under the jurisdiction of the main komanda for the purposes of evacuation and fire safety procedures. Please respect the rights of other campers in the area by keeping noise and rubbish to a minimum. Due to our proximity to National Park, we also request that no pets are brought to Sokil this year.

Parents are encouraged to participate in the operation of the camp, including assistance in the kitchen (on the 30<sup>th</sup> and 31<sup>st</sup> of December), Food drops and hike transportation and first aid rooms. Volunteers are always welcome!

Note that a substantial discount applies to those who are financial members of Plast, those who register prior to 19 December 2012, and a further discount applies to those who pay prior to 19 December 2012.

These discounts are offered as the more registrations received prior to camp the easier it is to organize and plan the camp, in particular the quantities of food and consumables required. Non-financial members will pay a premium in order to be covered by the Plast insurance policy which is a benefit of financial membership.

The above fees include the daily camping fee as well as lunch, dinner and breakfast and activity fees. Please note that if you intend to stay more than 7 nights it is cheaper to register for the full camp.

A system of meal passes/tickets will operate this year. These will be available for collection when you arrive at Sokil or on the first day of camp.

## Ялинка

This year the annual Plast Christmas Dinner celebration will be held at Sokil during Tabir. We warmly invite all Plastuny, parents and friends to attend this annual event, complete with koliading, kutia, borscht and varenyky! Ялинка will be held on Sunday 30<sup>th</sup> December 2012 from 4pm. So why not come on down to Sokil and make a weekend of it!

## Camp Rosters

***Camp only runs smoothly through the assistance of parents.***

Rosters will be drawn up for help with cooking (30<sup>th</sup> and 31<sup>st</sup> of December), driving scouts to various activity locations away from Sokil and for general cleaning. Please assist us by volunteering to help during camp.

## Pets

***No pets are allowed at Sokil under any circumstances.***

Pets, in particular dogs have become an increasingly common component of camps over the last couple of years. Unfortunately, not everyone feels comfortable with dogs and the presence of multiple dogs can lead even the best behaved dog to behave aggressively. Consequently all pets are forbidden.

## Fires

Sokil is in an area governed by CFA fire restrictions. **ALL ATTENDANTS MUST FOLLOW THE DIRECTIONS OF THE CFA, FIRE WARDENS AND KOMMANDANT**

***No fires will be permitted at Sokil without the explicit permission of the Camp Kommandant.***

All campers are required to purchase their meals for the camp and to join with other participants in eating in the Dining Area rather than cooking their own meals. Day picnics that don't require heating are allowed.

## Insurance

Plast has public liability insurance for scouting activities undertaken by *financial* members of Plast throughout Australia. If you are not a financial member of Plast this insurance cover may not be available to you. If you are not a Plast member and not being covered by Plast liability insurance is of concern to you, please consider organizing your own insurance to cover your activities or even better join Plast now!

## Uniform Shop and UMPZ – 100 litta Shop

There will be a uniform shop and a UMPZ / 100 litta memorabilia store at Sokil during this years camp so please bring some spare cash and purchase a new "Plast world wide approved uniform" and some great UMPZ / 100 litta memorabilia. You will need to wait to 2112/13 to have the opportunity again!
