My Summer Holidays

In the holidays I went to Bright. I went in the lovely Bakery. The Bread was amazing. I also went to the outside swimming pool. It was hot so it was so fun. Bright was very fun and exciting.

I liked Tabir because
 I got to (nearly) gamble
 I stayed up till 3:00 am.
 I froze to death in the pool... NOT!

I enjoyed the mini hike during Tabir. I also liked swimming in the pool. I didn't like people being loud at night.

I did like when they moved into another cabin.

At tabir I really liked preparing for the summer. I liked it because I got to make a doll. I also liked making the big batch for the chocolate rumbles.

I liked the activity because the activities were both challenging and fun.
