Scope

Plast Federal Executive, Plast Federal Council, All State Executives

Purpose

To ensure that members of the Executive Committee, State Executives and Plast in Australia conform to acceptable and appropriate standards of participation. This ensures that Plast in Australia communicates a consistent public image, maintains its founding principles and does not enter into any conflicts of interest within Australia or internationally with the Plast governing body and/or its affiliates.

Policy

Members of the Federal and/or State Plast Executives may participate in official Ukrainian Community-organised political demonstrations only inasmuch as they may make channels of communication regarding such events available to their adult Plast membership. Plast bodies in Australia may not officially endorse or be seen to be endorsing political demonstrations or rallies in any way.

Procedures

1. Plast bodies in Australia may neither encourage nor discourage adult members of Plast to participate in official Ukrainian community-organised demonstrations as responsible private citizens.
2. Plast communication channels may be used to disseminate official Ukrainian Community information regarding planned demonstrations or rallies to adult Plast members.
3. Calendar entries regarding officially-planned Ukrainian Community-organised demonstration or rallies may be posted on the Plast Australia Web Site, together with a link to the relevant community web site. No other information or advertisement regarding any planned demonstration or rally may be posted.
4. Plast members are not to be identifiable by wearing any item of Plast uniform at such demonstrations or rallies.
5. No information or opinion may be solicited on any Plast member below 18 years of age by any adult member of a Plast body other than their parent or legal guardian.
