We have an exciting and action-filled program planned for this year's local stanychnyi Plast tabir to be held at Sokil from 26 December 2010 to 2 January 2011.

The tabir's name - "Forest Song" is a short story written by Lesya Ukrainka in 1911 and celebrating its 100<sup>th</sup> anniversary, it is a timeless Ukrainian theatrical classic which has all the makings of a Hollywood thriller, romance, action and magic! Through the years and even today there have been many remakes in interpretations of Lesya Ukrainka story, let's see what you can add to "the Forest Song" at this years camp. This year's tabir includes an adventure-filled Novak program, a hike-based tabir for Yunatsvo, and customary festivities surrounding New Year's Eve and the tabir Open Day. A new event of the tabir program is the traditional Plast Christmas Dinner "Ялинка" being held on Saturday 1 January 2011 which we warmly invite you to attend.

## Новацтво (Novatstvo)

The theme of this year's tabir for novatstvo is Lesya Ukrainka's "Lisova Pisnia" (A Forest Song), with activities about nature and life in the forest as well as plenty of plastuvannia – including orienteering, map-reading and an overnight hike – where novaky and novachky will be cooking for themselves and carrying some of their equipment. They will need a large enough backpack to carry water bottles, change of clothes, toothbrush, snacks, raincoat and for older novatstvo - their sleeping bags. Other equipment will be dropped off to the campsite. Regardless of weather forecasts, sun hats and warm clothes are a must as it is often sunny during the day and very cold at nighttime at Sokil. Also – please fill out the medical forms appropriately, and if your child suffers from asthma or severe allergic reactions your family doctor will need to provide a management plan.

SPs will be able to take part in the traditional Ялинка program and Показовий День, and then depart on Monday 3 January for specially-catered mountain bike trail riding at Forrest and a BBQ lunch. SPs will then participate in the закриття program and then retire to a nearby beach for some sun, surf and beach games. You can even make a nice holiday of it by coming down to Sokil for New Year's Eve! Parents and Starshi Plastuny are reminded that by camping in the Tativka they are under the jurisdiction of the main komanda for the purposes of evacuation and fire safety procedures. ## Ялинка

This year the annual Plast Christmas Dinner celebration will be held at Sokil during tabir. We warmly invite all Plastuny, parents and friends to attend this annual event, complete with koliading, kutia, borscht and varenyky! Ялинка will be held on Saturday 1 January 2011 from 4pm. So why not come on down to Sokil and make a weekend of it!

## Camp Rosters

***Camp only runs smoothly through the assistance of parents.***

Rosters will be drawn up for help with cooking, driving scouts to various activity locations away from Sokil and for general cleaning. Please assist us by volunteering to help during camp.

## Pets

***No pets are allowed at Sokil under any circumstances.***

Pets, in particular dogs have become an increasingly common component of camps over the last couple of years. Unfortunately, not everyone feels comfortable with dogs and the presence of multiple dogs can lead even the best behaved dog to behave aggressively. Consequently all pets are forbidden.

## Fires

Sokil is in an area governed by CFA fire restrictions.

***No fires will be permitted at Sokil without the explicit permission of the Camp Commandant.***

CFA guidelines for cooking using gas barbecues recommend that such barbecues be positioned in clearings away from tents and clear of trees and undergrowth. *All campers are strongly encouraged to purchase their meals for the camp and to join with other participants in eating in the Dining Area rather than cooking their own meals.*

## Insurance

Plast has public liability insurance for scouting activities undertaken by *financial* members of Plast throughout Australia. If you are not a financial member of Plast this insurance cover may not be available to you. If you are not a Plast member and not being covered by Plast liability insurance is of concern to you, please consider organizing your own insurance to cover your activities or even better join Plast now!

## Pre-loved Plast Uniforms

Due to a serious shortage of Plast uniforms, we ask that any pre-loved uniforms be brought along to Tabir. We are organizing a "uniform swap meet", so that we can outfit as many plastuny as possible with regulation uniforms. Any shirts, shorts, scarves, and socks of any size would be greatly appreciated!

До зустрічі на таборі!
